

COMPACTOR OPERATING INSTRUCTIONS

- ① Use operator key to unlock hopper door. (Remove key from padlock)
- ② Turn latch handle counter clockwise & carefully pull hopper door open.
- ③ Load clean, flattened cardboard into hopper.
- ④ Close and latch hopper door carefully.
NOTE: compactor will not start until hopper door is latched closed.
- ⑤ Insert operator key in Power Switch Control turning it clockwise to 'ON'.
NOTE: Switch will retain key in the 'ON' position.
- ⑥ Push Green START button.
The compaction unit will make one complete cycle and stop ready for the next load. **NOTE:** *It may be necessary to cycle the unit several times in order to clear the hopper.*
- ⑦ Push in Red STOP button to shut down compactor at any time.
 - Compactor will not start in the STOP or bottom position.
 - To re-energize START button, gently pull Red button to its center position.**NOTE:** To manually retract compactor, pull out Red button to an extended position: compactor will automatically retract and stop.
- ⑧ Once completing steps 2, 3, 4 & 6 as needed, turn power switch to the OFF position to remove operator key.
- ⑨ Pick up any loose or residual waste before securing the unit after use.
- ⑩ Close and latch hopper door 'clockwise' and secure door with padlock. Retain your operator key for safe keeping.

CARDBOARD & LINERBOARD PACKAGING

.....can represent up to 60% of total waste generated by many types of businesses. Reducing waste will reduce your waste disposal cost.

RECYCLE IT!.....a local opportunity to save while reducing your waste is now available due to a joint venture between Cash & Carry Foods, the Idaho County Recycling Committee and Lewis Clark Recyclers, Inc.

The mechanical compaction unit installed on the southwest side of Cash & Carry Foods makes cardboard disposal fast & simple for keyholders; these operator keys are available on a registered subscriber basis only. Some restrictions do apply!

HOW IT WORKS!

- ⇒ Reduce large boxes & pieces to less than 38 inches by 55 inches.
- ⇒ Flatten and bundle boxes free of liners, wrappers, Styrofoam, metal or wood. Box tape and staples are okay
- ⇒ Store bundles in a dry space away from walk-ways and ignition sources.
- ⇒ Securely transport your load to compactor.
- ⇒ Follow operation instructions (on the unit).
- ⇒ Clean up work area as needed.

WHAT DOES IT COST?

- There is a refundable deposit for each access/operator key. A key is available once you sign a County Use Agreement and liability waiver.
- There is a monthly payment pledge based on volume; minimum is \$25.

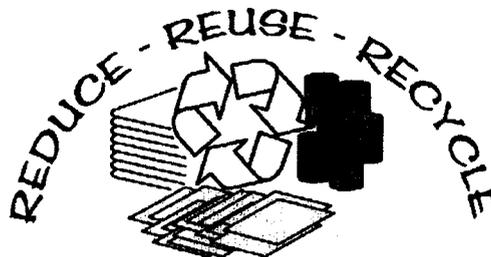

HOW COMPACTING SAVES!

- ◆ Look at your solid waste costs over several months.
- ◆ Consider cardboard and linerboard volume currently placed in trash for pickup.
- ◆ Calculate cost of compactor subscription vs. garbage pick-up rates (fewer pick-ups).
- ◆ Consider sharing a subscription with a neighboring business (each must sign a use agreement and liability waiver).

All proceeds support the growth of Idaho County's Recycling efforts!

To inquire, visit Idaho County's website, or contact a recycling committee member. Someone will be available to answer your questions, assist with the subscription form and arrange for your on-site training.

All cardboard and linerboard collected are used to make new consumer products within 180 days of collection. This significantly reduces our solid waste entering landfills.

SAFETY GUIDELINES

- Must be 18 years of age to operate compactor unit.
- No one may operate compactor until they receive on-site training.
- Always push AWAY from yourself when cutting cardboard.
- Always flatten cardboard & secure load before transporting.
- Always watch your step when carrying a load.
- Always be aware of your surroundings, weather conditions and possible pinch points.
- Always read and follow operating instructions and safety guidelines.
- Always wear safety glasses and gloves when near compactor.
- Always use the handle to open and close compactor door.
- Never enter or tamper with internal spaces or components of compactor.
- Never block access to pathways or doorways as you use the compactor.
- Never place trash, liquids, wood, metal, glass, ashes, ammunition, explosives or other unacceptable material in the compactor.
- Be mindful of others in the area, be patient, wait your turn and help those in need - safety must be #1.
- For maintenance or to report malfunction, call:

Idaho County Recycling Commercial Cardboard Compactor Subscription Agreement

The undersigned party, herein after known as a **subscriber**, agrees to the following terms with regard to access and operation of Idaho County's cardboard recycling compactor unit, herein after known as the **unit**, which is located at the south end of Cash & Carry Foods, 222 East Main St., Grangeville, Idaho.

Idaho County, herein after known as the **County**, retains the right to grant, disrupt or refuse access and operation of the unit to any independent commercial business as a subscriber in an effort to safely accept clean cardboard for recycling under the following terms.

Access to the unit is to remain closed and gained only through the use of keys issued by the County. Each key will be assigned a number corresponding to the individual subscriber's account. Each subscriber is entitled to one key. The County shall assess a one time refundable key deposit of \$15 for each key issued.

Subscriber shall provide the county with certificates of insurance bearing the following limits and maintain such in full force while in possession of access to the unit.

1. General Commercial Liability Insurance of not less than \$300,000 per occurrence.
2. A certificate of valid and current Workers Compensation Insurance. Said insurance must provide coverage for any employee using the unit or working with others who are using the unit.

Upon meeting these insurance certification requirements and granted access to the unit, it is understood that the undersigned agrees to indemnify Jim and Mary Schmidt, Cash & Carry Foods, their vendors, agents and/or associated interests, Idaho County, its agents and any affiliate interests of Idaho County against any liable claim resulting from injury, loss or other damages implied or otherwise as a result of the unit, its location, proper or improper access, use or mechanical operation.

The undersigned also agrees not to share access with or allow operation of the unit by any one less than 18 years of age.

Commencing on this ____ day of _____, 20____, this subscriber # _____ will pay Idaho County Recycling a voluntary pledge in the sum of \$ _____ (\$25.00 minimum) in advance each month for access and use of the compactor unit.

COMMERCIAL CARDBOARD RECYCLING is currently available in Grangeville. Access is obtained through voluntary pledge subscriptions on an honor system. Each subscriber will determine a fair monthly value for compactor use based on the following guidelines. A minimum pledge of \$25 per month is required.

Guidelines for determining a monthly fee. Please consider both the amount of cardboard to be recycled weekly as well as possible savings due to reduced charges for garbage service. **(NOTE: An average full-size pick-up bed = 4.25 cu.yd)**

4.25 cu/yd weekly	8.50 cu/yd weekly	13 cu/yd weekly	Unlimited
\$25.00 per month	\$50.00 per month	\$100.00 per month	\$150.00 per month

* PAYMENTS PREPAID ANNUALLY TAKE 10% DISCOUNT
