In regards to getting the information on the need of fingerprinting and background checks on board members, Ann is checking with Kirk. When she gets an answer from him to verify whether or whether not we need, she will let us know.

We then reviewed two items. The first was Referral for Guardian/Conservatorship. It was suggested to add a part for resources (using words such as assets.) There were other minor changes. After the changes were made, form was approved unanimously. We then reviewed the website. Changes in grammar and structure were made. Put all forms in one spot. Paragraphs of clarifications of forms were added. After the changes were made, the website was unanimously approved.
