New Business:

Review of forms needed: volunteer guardian application, referral for guardianship/conservatorship, conservator inventory, and guardian status forms

We are using Nez Perce County's form as reference. For the volunteer guardian application, we are looking to combine two questions into one and just have some reformatting done with Idaho County information added. For the referral for guardianship application, we just want to do some reformatting and add Idaho County's information. There is nothing else to be added or removed. For the conservator inventory and guardian status forms, we decided to table the discussion until our next meeting.

We reviewed the Latah County's website to see how we would like to present information to the public. We discussed the contact information for the representative and who we would define as the representative. Should it be a county commissioner, the county clerk, the county's attorney, or the secretary/treasurer? This will be discussed at next meeting with the county clerk, if she can attend.

We would like a part ^{of the} website for the criteria for possible qualification of person needing a guardian. We are also asking for a possible budget of 500.00. This would be used for possible reimbursement for guardian's out of pocket expense, such as mileage and long distance phone calls. Nez Perce has a budget of 5000.00 that they rarely use.

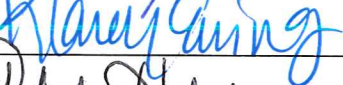

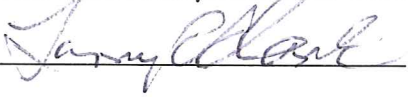

We had questions if the board themselves would need to be fingerprinted and have background checks. We tabled this for next meeting.

~~Don~~ Clark will give an application to another possible board member applicant.

Due to amount of questions we have, would like the county clerk to come to our next meeting.

Our next meeting was set for 03/17/2016 at 3:30pm at the courthouse again.

Meeting was adjourned at this time.
