Minutes:

Old Business: Minutes from 10/19/2017 were dispersed. Minutes were reviewed and approved unanimously.

Update on status background checks and fingerprinting. Alan and Lynda Fox have begun the procedure of the background check. They have their appointment for their fingerprinting on 11/30/2017. We should have the results soon afterwards. We also instructed the Haalands on the procedure needed for the background checks. They will get this started as soon as possible.

We also revisited the issue of emergency temporary guardianship. This situation is set for an immediate issue and is given 90 days to make the guardianship permanent. We have previously discussed of having the entire board be the guardian as an entity. Since now all guardians must go through Idaho Department of Health and Welfare for mandatory background checks, we are needing clarification if just a few members need to be checked or the entire board will need this completed. We would also like to know the exact procedure to implement this. A motion was passed in having a committee to study this. Tara motioned for this and Debbie seconded it. It passed unanimously. A committee of Klarey, Tara, Alan, and Twila will try to get a meeting with the county attorney and the magistrate to see about this implementation. Tara will also contact Christin Finley (Region 2 Coordinator for Guardianship/Conservatorship,) for further direction. Tara will also ask if there is a distinction for guardianship for a vulnerable person who is developmentally disabled and a vulnerable person that is incapacitated by another condition.
