Project Goals

(To be completed at the first meeting or at the beginning of the year)

What do you want to achieve by participating in your 4-H Project? Answering this question will help you identify your personal goals for this year. Personal goals are statements that say what you want to achieve or what you want to improve. Once you decide on a goal, then you need to plan a "To Do" list to reach that goal. You might think of this "To Do" list as the things you need to do or learn in order to reach your goal.

For example, in a beef project a Junior age 4-H Member might report: Goal 1: Learn to clip and fit a steer for show. To Do List: 1) learn to operate and maintain a set of clippers 2) observe someone knowledgeable in clipping and fitting cattle for show in action 3) participate in a jackpot show prior to my county fair in order to practice 4) tell my parents that I want to do my own work in preparing my beef project for show.

Identifying goals and how you are going to reach those goals is important to help you become more skilled and knowledgeable about your project. List the goal(s) for your 4-H project and at least three 'To Do' items to help you accomplish each goal. (Junior at least 1 goal; Intermediate at least 2 goals; Seniors at least 3 goals.) *If you report more than 3 goals, insert additional copies of this page as needed.*

4-H STORY

Writing Your Story

As with any story, you should tell about things you did, experienced, or learned by participating in 4-H. You can use the following statements to help you outline your story:

- Introduce yourself. Include why you joined 4-H and/or chose the project that you did.
- Tell about things you enjoyed learning or doing. (*Experience*)
- Tell about results, difficulties, or challenges you had. (*Share*)
- Explain how you would improve your or 4-H year. (*Process*)
- Tell what you learned about yourself through your 4-H participation. (*Generalize*)
- Explain how you could use the life and/or project skills you learned in other areas of your life. (*Apply*)

Length and Format Guidelines

You can type or hand write your story. If you hand write the story, use pencil or ink on lined white notebook paper. If a typewriter or computer is used to write the story, use double line spacing on plain white paper. Write on one side of the paper. Leave a wide enough margin so the story can be read if inserted into a report cover. Attach your 4-H story at the end of this record book.
